| QTY | Product Code | Name | Price | Purchase Date | Reason for Return |
|-----|--------------|------|-------|---------------|-------------------|
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |
|     |              |      |       |               |                   |

## Returns Form Guidelines

1. Please write clearly, in block capitals. Preferably in black ballpoint pen.
2. Please enter the purchase date in DD / MM / YY format.
3. Reason for Returns must be succinct without being vague. For instance; If there is damage, please tell us where. If we cannot find the damage upon inspection then we may not be able to process your return.
